We will always fondly remember Louise as the "Connecticut Lady" . It took us a while to get her to warm up to us, and many pieces of saved lemon pound cake too. We will miss her.

Mark & Lisa, Your mom taught me the value of not asking "Can I have" but "I will have" as I would place an food order (at MCalisters) many a times. What seems like such a small memory truly shows that she knew exactly what she wanted in life and did it. This is such an admirable trait so many lack. She lead a successful life raising one of the most influential people in my life. I am thankful to have called her a friend and have many memories of her generous acts. My thoughts and prayers are with you,

Mark & Lisa, Well done bacon, generosity to the swim team kids, and the smile Thomas & Peter put on her face...some of my favorite memories of your mom. Our thoughts and prayers are with you during this time of grief. May your memories bring you comfort.
