I know your in a better place now and your not suffering anymore but i felt like this wasnt your time to go an leave us. I wish i wuldve been there to say goodbye to you but i couldnt. I love you so much an i miss you a whole lot but hopefully one day ill be ableTo see you again..

God saw you getting tired, a cure was not to be, so he put his arms around you and whispered " come with me". With tearful eyes we watched you fade away and saw you pass away. Although we loved you dearly we could not make you stay. A golden heart stopped beating, hard working hands to rest, God broke our hearts to prove to us he only takes "the best" My precious Daddy, my first true love, I miss you so much. How will I go on without hearing your voice, seeing your smile, or feeling your warm embrace. I would give anything to hear just one more story or one more joke. I'll miss our great conversations and your great advice. I want you to know that we will take care of mom, you dont have to worry. You were a great man and will never be forgotten. You will always be in our hearts... I love you so much Daddy.

Dear Daddy, Your battle is now over, no more tears flowing down your cheek, no more pain, no more suffering, now you are no longer weak. I still do not understand why this had to happen to you, but I am proud to say you are my dad, the greatest man I ever knew. Although you will not be here to walk me down the aisle, when that day comes I know you will be by my side with a smile. You were always there for me and never once made me cry, until the day you closed your eyes and had to say goodbye. Now you are my Angel, so spread your wings out wide, please wrap them around me whenever you see me cry. Our time together was memorable and God took you way too fast, but the most precious thing to me was you being there for my first breath, and me being there for your last. I love you Daddy
