So sorry to hear of the passing of Walter L Stratton. I worked for him briefly as his secretary in the late 90s at Gibson Dunn. I just want to let his family know that I and a good friend have reason to be grateful to him for his counsel and assistance in retrieving her 2 children who had been for all intents and purposes kidnapped cross country by their non-custodial father (details too cumbersome to recount of course). I remember mentioning it to him at work, when I got word of what had happened, and he immediately became the former ADA inquiring of the details. (smiles) Long story short, by means of his sage advice I was able to help my friend retrieve her sons. When he learned of our success, he sat back at his desk and said, "Well, guess we were on God's side with this one." God bless you Walter!
