We are very sad to hear of Isabel's passing. We just talked to her on Friday and she was going to check out our place in Bradenton Isabel was so generous and as everyone here has attested to ...she had a big heart and was full of love for everyone!! My folks, Tom and Joan Schmitz from Minnesota loved her dearly and enjoyed listening to her stories about her beautiful family! She will be missed...and loved by many. Our thoughts and prayers go out to all the family in this most difficult time. Isabel and I had many conversations about her daughters, her Dad and Mom and her love and pride of them. She was always a pleasure to be around and had such a big heart, ready to lend a helping hand to those in need. She was truly a remarkable woman and Chip and I will miss her. May God be with all of you and guide you thru your grief and ease your pain and sadness. She may be gone but will always be in our hearts. We love you Isabel. Linda West and Chip Wood

While there is nothing that I can say to help you ease your sorrow, take comfort in the knowledge that there will always be tomorrow. I can not comprehend just how sad you must be feeling, the pain within your heart takes time to start healing. Let the memories of the years you've shared wash over your heart and soul, let the knowledge that you are in our prayers, help you to console. Let her spirit fill you with strength and love, may it help the pain decrease, as each day that brings a glorious dawn creates an inner peace. With my most sincerest and deepest condolences for your loss, Meghan and Rick Guisinger

Isabel was my Godmother. I had the best childhood memories because of her. There were a lot of firsts. She taught me how to swim, fish, and dance around not caring who's looking. 1st camping trip, 1st big holidays away from my own family, 1st sleepover with Angie, Miami, St. Augustine, tubing in Genie Springs....I could go on. You loved me like I was your own. I always told myself that that if I could be 1/2 the parent you were to Angie and Trisha that would be an achievement. I will miss you but I will always have the amazing memories of you. Love you forever!!!! Prayers to all friends and family. -Arielle

Mi despedida a mi Hermana muerta Algo dentro de mi ha roto con tu partida. Pienso en ti no concibo que ya no estes entre los vivos. Te has dormido eternamente cuando en el fondo guardabamos las esperanzas de que salieras de esa dura realidad y sonrieras junto a los tuyos por haber vencido. En nuestro interior aun nos costara tiempo entender que el Todopoderoso necesitaba otro angel y te ha llamado a su lado. Tambien nuestro padre necesitaba compania. Te has ido delante, para esperarme alli, al lugar donde todos alguna vez seremos llamados, no juzgamos a quien te llama y mas tarde o temprano hara lo mismo con nosotros, pero como duele esta heridad mientras llega el Consuelo. Tantos porques nos quedan sin respuestas. Tu risa de bondad ahora se convierte en recuerdos. Las lagrimas salen solas sin obedecer el mandato de que cesen por no entender. Gracias por tu ejemplo de vida, lucha y amor a los tuyos, gracias por esas dos hijas que nos dejas, gracias por la unidad familiar que has propiciado con tu hasta luego en estos instantes de tormentosa tisteza, mientras te ruego nos des fuerza y valor para entender que tu adios no tiene regreso. Desde hoy vives en los corazones de quienes te queremos y al verte descender a tu nuevo desdino de la mano de nuestro padre, los ojos se nos nublan por el llanto y solo Dios sabe la proporcion de este tormento y a la vez de la quietud por la paz y descanso eterno en el que ahora te encuentras. Hermana querida que hoy mueres al mundo terrenal para vivir eternamente en el spiritual, solo nos queda el Consuelo de que ya no sufres y que alli donde estes nos estaras esperando: Te queremos y te llevamos en el Corazon. A Tribute to My Sister Isabel Maria Colina Wetz  
No words I write could ever say  
How sad and empty I feel today  
The Angels came for you  
Much sooner than I planned  
I'll brave the bitter grief that comes  
And I'll try my best understand  
Isabel, why did you have to go away  
Why wasn't it right for you to stay  
In my heart Isabel will always be  
I love you dearly and I know you will always watch over me  
What I'm suffering seems so unfair  
But one thing is for certain  
My love for you will always be there  
Isabel, my sister you always will be a very important part of my heart's memory  
I'll cherish the moments we hold hands, walk together, share happiness and sad moments, I'm sure that if you had of stayed longer  
You would have graced me with your charms  
A thousand words won't bring you back  
I know because I've tried  
Neither will a thousand tears  
I know because I've cried  
Now you're up in Heaven  
With the Angels up above  
They will take my place for now  
And they'll give you all their love  
So go and rest in peace now  
My big sister so dear  
For all my love and memories  
I will hold forever near.

Throughout the years, you've been our friend  
Your smile has warmed our days  
Upon your strength, we can depend  
You're beside us, always  
You filled our life with endless love  
With joy, beyond compare  
A blessing given from above  
We're grateful you were there. We may not always find the words  
We're yearning to express  
But our words we want you to hear  
So, now we all confess  
You've claimed a special place inside  
No one could ever touch  
Our gratitude can't be denied  
We need you, oh, so much. My dearest Aunt, I hope you see  
The difference you have made  
You mean the entire world to us  
And we would never trade  
The special moments we have spent  
From our life's very start  
You are a treasure, Heaven sent  
Thank you, with all our heart.
