Dear Joel, Andy and I are so sorry to hear about Alberta's passing. Even though it has been many years without contact, you both have been in our thoughts. It seems like only yesterday we all worked together at INA, I remember Alberta was my boss and you were a Claims Adjuster that's where you both met and eventually married. Andy & I enjoyed the times we shared together at all of INA's events. She will be surely missed by many. Joel we know this must be very hard for you to go through, but you have all you family and friends to lean on. May God Bless You and watch over you through the difficult days ahead. Should you need to talk, we are here for you and your welcome in our home any time. With deepest sympathy, Andy & Mary Lodato
