God saw you getting tired and a cure was not to be. So he put his arms around you and whispered 'Come with me'. With tearful eyes we watched you, we watched you fade away. Although we love you dearly, we could not make you stay. A golden heart stopped beating, hard working hands now rest, God took you to His loving home and freed you from the pain. Mom you will greatly be missed. I love you and will hold in my heart always.
