Bill and I met at Mixon Ink. I would see him at least once a month for little projects he had going on. I'm sad about his passing. God bless him and his family. RIP, I will miss seeing your face around here.

I met Bill when he and Susie were in the early stages of their romance. It was clear even then that they were very much in love. I wil always remember Bill as a kind and gentle man whose first concern was making Susie happy. RIP, dear man. Gayle Eichel Pressman
