I am the assistant principal at the school Daniel attended. I had the privilege of having many interactions with Daniel over the two years he was at Cahoon, and we had built a wonderful relationship. Daniel was a wonderful, polite young man with an amazing sense of humor. He was able to talk to adults easily, and he was extremely popular among his classmates. I have so many wonderful memories of Daniel...he was one of my favorites and one I will think of often over the years to come. He was truly a one of a kind, and he will be greatly missed by his family at Cahoon Elementary! We love you Daniel!
