One of the hardest working men I had the pleasure of knowing. I will cherish the memories of skinning copper in the back yard, the years of family spaghetti nights. Get together's over holiday meals, the jokes the laughs the hugs. I am grateful for the time we spent together, and the laughter we shared, and look forward till the day we meet again. God Bless this gentleman and his gentle soul. He will be missed.

I just want all of you to know George made an impression on my life early on. Heaven knows without a dad I had very few male role models. He wasn't ever afraid to call you out on your bull and I thank him for that. Because of him I feel I was able to be a better father to my kids. My prayers are with each of you I lost my mom in February so her loss weighs heavy on me allowing me to relate. God bless each of you Love Tommi
