Mary was known to most of us as Evelyn, called by her middle name. She married my brother, Raymond, when I was 3 years old so I do not remember a time when she wasn't in my life. I spent a lot of time with Raymond and Evelyn and have so many memories of times together. I stayed with them my senior year of high school so I could go to school in the morning and work in the afternoon. Evelyn would drop me at school, pick me up at lunch and take me to work (brought me lunch too), and picked me up after work. She also let me practice driving so I could get my driver's license. To say she was a good, kind, giving person wouldn't be saying enough. I truly loved her!

It's hard to believe all our family members are passing away. No words could be written to how wonderful you was. When I last visited you all you did was talk about Raymond. The tears that came to eyes and could see what you and Raymond had was true love. You talked about how much you missed him. Raymond and you are together now in heaven.
