Ms. Janet was our next door neighbor for many years. She was a true servant of our Lord, Ms Janet was always serving and thinking about helping others. Every conversation we had was always about how blessed she was and so thankful for her children and grandchildren . The Christian legacy she leaves behind is priceless! Jim & Judy Vinson

The Taylor family is so saddened to know that Janet is no longer on our heavenly earth. It is family and friends that will miss her forever. We know that she is in a place that brings her comfort and an eternal life with God and all those she loved that went before her. It is so very hard for those left behind and I pray for all of you. Janet was a true southern woman-her beauty, both inside and out, radiated from every fiber of her being. I will forever remember that sweet Southern voice and her beautiful smile and laugh. She passed that on to her children and grandchildren....rejoice in her life that was one of loving, giving, caring and being the best mother and grandmother that anyone could ever ask for. The family is in my prayers as I know it is so hard....Janet was one of Gods angels on earth, for sure. He has a new plan for her now and she is in His hands.
