Dear Judy and Family, It has been six months and sadly I just found out about your loss. I have thought this for a long time knowing Dave, I think he was the best person I have ever met in my life. He was a wonderful friend and working associate. I could tell that he loved you more than any words could describe along with his family. You were so lucky and blessed to have him as your husband, also he was so lucky to have such a wonderful person as you for his wife. You both together made the perfect family. I was very sad to hear about this accident but then I started to think over all the years of his friendship and I have so many great memories together with him. I could write many pages but let me share the most fun I had with Dave. I had a boat and loved to water ski and talking with Dave found he loved to ski too. We decided to go to Lake Thonotosassa to ski as we did that several times. He knew how to bare foot ski but the boat had to be fast, we decided that mine might be just fast enough. Of course it was just a little slow, but Dave tried very hard to do it and he crashed every time, and I mean hard face first in the water. It was so funny and we laughed about it. The last time we skied together we went out and I had spent 8 months recovering from being hurt and I told him that I was going to take it easy. I guess it was payback for me laughing so much at him crashing that when I made a hard turn on the ski and my ski fell apart and I had the worst crash ever skiing, I was okay and we laughed about that. Good times for sure and I was so fortunate to be able to call him my friend and him feel the same for me. Judy, keep the faith and sometime in the future you will be reunited with him and be together forever. Your and Dave's friend forever, Joe Rhoades

Dear Judy, Matthew, and Brannon Family,We are so heartbroken over the passing of our dear friend, Davin. He was an absolute delight to be around, always smiling and laughing, telling us of his wild adventures, and just being such a respectful gentleman. There are no words to tell you how sorry we are and how much we are going to miss his smiling face at CAE. He was one of the good ones that brought joy to everyone who crossed his path. He will be sorely missed. Our thoughts and prayers are with all of you at this difficult time. May he rest in peace.With Deepest Sympathies,Dave, Laura, DJ and Ryan Shives

To Judy, Matthew, Barbara Ann, Hurley, Sandy, Kevin and the remaining members of Davin's beloved family and friends, My prayer for you all is that God will wrap you in His loving splendor and that your loss will be eased and your loving memories of Davin will help you get through this most difficult time. How thankful we can be that Davin knew the Lord! While we are most definitely heartbroken, we do know, without a shadow of a doubt, that Davin was called Home to his Heavenly Reward and is with God at this very moment being reunited with family members he loved who went Home before him. There are no words that can truly help, and I know this all too well, but I just wanted you all to know that you are in my daily prayers and I wish you peace of mind, joy in your hearts and comfort in your souls. With Love, Michael W.
