I worked with Bev since the 80's getting her food for her catered events and family gatherings. She always had such a positive outlook and was full of spunk. I loved her spirit and pray God has her in his loving arms. She loved her family and was such a awesome giving individual. Blessings to the whole Bailey Family. Words cannot adequately express my sorrow when I learned of Beverly's passing. We were coworkers for a number of years and I was impressed with Beverly's friendliness, thoughtfulness, and willingness to help in any way that she could. She was admired by everyone that came in contact with her, including those that came to our office from Corps of Engineers offices throughout the United States. She had a wonderful personality, always smiling. She was such a great person. Beverly will live on in my memory forever. My sincere and heartfelt condolences go out to all of the family.

I have been blessed to have many good and loyal friends in my life. Several have endured for a lifetime. But the friendship my wife and I have shared with Bev & Ron has been what can only be described as exceptional. We met almost 20 years ago by happenstance. Bev became a customer of my business in Tampa. It didn't take long to recognize that Bev had a extremely quick wit...dry sense of humor and it became the foundation of our friendship. I soon realized she was not only funny, but a warm, friendly, caring person. I had not yet met Ron, but I felt I like knew him as Beverly would constantly brag about him all the time; sarcastically, of course. When my wife, Karen, finally met Bev, they too hit it off instantly and quickly became, as they referred to it...BFF. At the same time, I was getting to know and admire Ron. Before the first year of our relationship passed, we were, as Bev like to put it, "certified friends!" She often said, "we usually have buy our friends!" Oh, Bev a hole is in our heart with your passing. It will never be filled. But we know where you are and when our time comes, and God calls us home, we will reunite. Our love for you & Ron continues.

My Dear Friend and My BFF Beverly, It takes a minute to find a special person, an hour to appreciate them, and a day to love them. You came into our lives Stacey and myself for a reason about 15 years ago for all the seasons to come. You made us laugh a little louder, smile a little brighter, and live a little better. You were beautiful, inside and out. You were beautiful for the way you thought. You were beautiful for that sparkle in your eyes when you talked about something you loved like your family especially your grandchildren and how your life was so blessed. All the great time we spent together. You were beautiful for your ability to make other people smile even when you were worried about your health. You were beautiful, deep down to your soul. You are a true friend the ones who never leaves your heart, even if you leave your life. Beverly my best friend you may not be my sister by blood, but you are my sister by heart. When someone you love becomes a memory, that memory becomes a treasure? Your friendship has helped us grow, kept us grounded, lifted our spirit, and brightened our life. Thank you! We know the sky gained another Shining Star. You will forever be in our hearts, thoughts and prayers and now the sky will shine a little brighter...that is how we know you are watching over us and you are happy!!! Until we meet again, All Our Love, Madonna and Stacey
