Mike, you were a awesome man. I remember when I met you, your wife, daughter and Kilo back in 2012-13 at a Christmas parade. You were so nice and kind. Very humble and willing to help others with their dogs. I especially enjoyed when you would deck Kilo out for Halloween and Xmas. You will truly be missed.Diane and my bully kids

Mike, you, your smile, antics and laughter will be deeply missed ♡Prayers and fond memories are what we have to remember our dearly loved friend. There are times when there are too few words left to heal us when what we wish for is to be carried, when all we have left is the hope that tomorrow will be a more gentle place to land than today. I wish you enough sun to keep your attitude bright. I wish you enough rain to appreciate the sun more. I wish you enough happiness to keep your spirit alive. May the love of family and friends comfort you during these difficult days, my most heartfelt condolences

Big Mike was an amazing friend. He always had time to listen, share his wisdom, encourage. While I prepared for the police academy in 2012-13 he was my mentor, my teacher, and my friend. He helped me overcome so many fears by encouraging me to believe in myself. I could Beat all odds. My regret is he and I both got busy with life and didn't communicate as much as we use too. He actually took both of these pictures. ❤️❤️❤️ He will be missed!!!

I allways looked up to Big Mike he showed me so much about how to work and train dogs. he showed me how to show my boy and girl bootsy in the show ring. and showed me the right way. I allways told him I would love to have my boy as smart as Kilo. I I was always so impressed how he handled out inside outside show ring inside outside wight pulling ring. I have so many good memories of Mike it would take me a week non stop to tell how much I looked up to Big Mike. the dog world and the big Community has losted a True legend. R.I.P Big MIKE.
