*M*ESSAGE FROM THE FUNERAL HOME

Due to regulations from the CDC, we are required to restrict Funeral Attendees to 50 people on premises including staff. Please keep in mind of these practices when attending so the immediate family are allowed their time to grieve. If we reach the maximum, we will be asking people to disband and leave the property. Thank You

Janice was a terrific worker and a great friend. I especially remember her infectious laugh. She was a great supporter of Clerk's Office functions, and she and Ray hosted our department at their home on several occasions. I fondly remember those fish fries and the morale boost they gave our employees. My deepest sympathy to her sons Jerry and Glen, and to their families. Janice will be missed! Jim and Kay Jennings

Baby gardenias bushes... 2 of them, planted one on each side of her porch steps. Add making homemade ice cream, then this girl dumped it outside -only to permanently ruin the soil for any plant to grow there. She never missed a chance to kid me over my silliness!!
