Gary Dorling

MAY 9, 1961 - AUG 20, 2020

Gary Dorling passed away Thursday, August 20th at St. Joseph's Hospital in Tampa. He was a strong, healthy, active man who lost his battle to Covid-19. It is real and it will take anyone. He would want the world to know to take this terrible virus seriously and protect yourself and others.

Gary was born in Youngstown, OH on May 9, 1961. He was always a fun-loving and hard-working person. He was a master machinist his entire career, and proud of it. He was an avid golfer. His passion was classic cars, of which he fixed up and enjoyed many in his lifetime. His biggest priority in life was always his family. He leaves behind his wife of 34 years, Mary. She will always be his one, true love. He also leaves behind two daughters (Heather and Rachel), a stepson (Jason), two son-in-laws (Willy and Mathew), four granddaughters (Reagan, Finley, Sadie, and Piper), and his older brother (Rick).

His family will be having a private service, but hope to celebrate his life with all of his family and friends at a safer time.

Our deepest sympathy to Mary, Heather, Rachel, Jason and family at the death of Gary. He fought the good fight and I am convinced that he is now in the presence of Jesus, his Lord and Savior, without pain or suffering. May our Lord watch over the family and give them His perfect peace through this difficult time. May they know that they are not alone in this, for the Lord will never leave or forsake them.

Our prayers are with you Mary and the family. Mary has been a friend of our family for years. We had lost touch but had reconnected through social media and I only met Gary a few years ago when we attended some car shows. He really loved the old cars as we do. He was really a nice guy and wished we had gotten to know him better. Both of you seemed to be made for each other and it's a once in a lifetime love. Mary we love you and may God be with you. :(

My condolences to this great family that's lost a loving member of their family. I remember Gary as a fun, happy go lucky, care free person. I don't think I ever saw him wearing a pair of shoes. I'll always remember him as loving his family more than anything, and those grand children were the love of his life!!!! We'll all miss you Gary. May God Bless Bless! Carolyn Stwan
