Tio Tonoit you will always be in our hearts, we love you so much , my dad and you had such love for each other. I thank God for the time we got to spend with you such a loving and generous person, you did love your cruise' and your P.R. food.

Tio Tonito was always such a joy. He and my Granpa Joe were always laughing, making jokes, telling stories, and talking way too fast for me to understand every word. We were blessed to have him live in El Paso with us for all those years. May he rest in peace. My thoughts and prayers are with the family.

My heart is broken. What a gift to my family was my brother! We will never forget him. He was a good Christian man, a great son and a wonderful brother. He came into our lives to show us love and make us laugh with his jokes. He is the last one of my siblings and I know he is now with our parents and the rest of them. God blessed him when he met and married Judy, who loved him and took care of him. My deepest sympathy to her and to his children. Doris Pagan-Thompson.
