I work with Joyce at Sitel/General Motors. She was one of my favorite people. She was always upbeat always had a kind word to say and had fun ideas. I always look forward to going to work when she was there because she made every day fun.

Joyce was a great Grandmother , Stepmom and Friend . She rarely missed a birthday. And always comforted you if you were down, or just needed someone to talk to. You were always welcomed to her home . She will dearly be missed.
