I was a medical resident at the St Francis Medical Center, Pittsburgh PA from July 1977 through June 1980. Dr Ticzon was a dedicated teacher. His teaching of Electrocardiography and basic cardiology have stayed fresh with me even now. Thank you, fantastic guru, for teachings which have lasted my whole professional career, and, hopefully were instrumental in helping a lot of patients. Love and respect. I am sure the creator will hold you in his palm for eternity. Chintamani Gokhale MD

The Best Doctor & Filipino that ever grazed Pittsburgh, Pa & Tampa Florida.. He was inclusive & accommodating in any which he can, Charitable and never turning away any person in need of help whether it is financial moral and physical. He was complemented in kind by his wife, Felilia Alberto Ticzon. He was like an older brother. THE BEST BAR NONE.

Dear Lolo Andy, My Deepest Sympathy on you, to Lola Fely, Uncle Marc, Auntie Nadia and the family.. Please say hi to Lolo Rogelio, Lola Cetang and Lolo Pinong in heaven.. And also hi to my paternal grandfather Pio and grandmother Yoly there in heaven.. You were like a grandfather to me and to my brothers when my Lolo Pio and Lolo Rogelio passed away in my toddler or kinder years.. And especially when my parents broke up, you were like a father also and a grandparent to us.. It breaks my heart a lot and still in complete disbelief knowing that you are suddenly gone and when God had gotten you already in his arms.. Life is short and wonderful here on Earth but much I know in heaven that is more and eternal life. So much for it.. Until next time we meet again Lolo there forever.. Rest in peace Lolo Andy. 😞😞😞😞😞😞 From your grandnephew, John T. Oporto, Oporto Family, Ticzon Family, relatives and in-laws.
