Amanda was of my favorite football friends. We were on the fields together numerous years watching our boys practice and play games. She was my walking buddy during practice sometimes or just sit and chat and giggle buddy. Our family will miss you Manda.

Amanda, you will be missed so much by so many people. You're kind and open Heart left numerous impressions on everyone you came into contact with. My heart is breaking everyday without you at work. You were my work daughter and I was your work Mom. Now you are with your mom and dad who you loved and missed a lot as you told me often... Love you always Anders

I met Amanda through my daughter, Erin, and always enjoyed seeing her on different occasions over the years. She had an infectious smile and was always fun to be around. I know she is loved and will be missed by so many and my thoughts and prayers remain with Paul, Peyton and her family and friends. I hope memories and thoughts of Amanda will always bring a smile to your face and warmth to your heart. She was a special young woman and I am blessed to have known her. Phyllis Ollariu

Words can't express how much you are going to be missed. I could not have asked for a better, most sweet and loving person to work with. Our Halloween nights will never be the same. I still remember the first encounter we had at work and how we grew a bond afterwards. My heart aches, you were such an amazing person inside and out. I'm going to miss you friend. Til we meet again, love you Panda.
