Carlos Manuel Sanchez

NOV 4, 1937 - MAY 15, 2022

Carlitos is of the Catholic Faith and his job both in Cuba and in Tampa was a truck driver until his retirement. He fought for freedom and suffered the persecution and imprisonment of the Cuban communist regime. In 1994 he emigrated as a political refugee to the United States with his family. Settling in Tampa, FL. and due to his dedication and work ethics, he gained the affection, admiration, and respect of all who knew him.

He was deeply grateful for the United States, the country that allowed him to see his family grow and prosper, a country of the free, with great pride he became an American citizen and was the first in his family to exercise his right to vote. He encouraged friends and family to become citizens so they too could exercise their right to vote and be heard.

He liked to spend his free time with his family and dear friends. He especially loved spoiling his grandchildren. His love for playing dominos was tireless and he was an avid fan of the New York Yankees. He never tired of talking baseball.

Los que más lo van a extrañar, TODOS Those who will miss him most, ALL

The first time I made my special Yellow rice and chicken for my Father-in-Law I thought he would explode he ate so much. He loved it so much, from than on I made it often for him.La primera ves que prepare mi arroz con pollo a la chorrera para mi suegro, pense que se iva explotar de tanto que comio. Tanto le encanto, que desde entonces se lo hacia a menudo.Carlito, te quiero y te extraño, tu hija siempre, Gricel
