My condolences to the family, I had a wonderful hour-long conversation with Ron a year or so ago where Ron graciously educated me on some Italian brethren history that related to his life, and as a longtime (PB) church historian who was just starting to learn more about the history of the Italian PB in America, it was music to my ears. I believe I recorded that interview, and would be glad to share it with any of his family (or friends) that would appreciate having it. Call me at 620-200-2045, email dougengle76@gmail.com or find me on Facebook. I only learned of his home going today, but will be praying for comfort and healing for those closest to our dear brother who has finished his race!
