MOM A lovely, genteel, lady. She loved her family unconditionally and I am a direct recipient of her sweet Generosity and Grace every single time she saw me she had something to give. She loved giving and expected nothing in return. We had the best family events because of her! Mom, all you ever wanted was love to be expressed back to you and you always placed others in front of yourself. Thank you for raising a faithful son in Timothy. A pretty powerful testimony! I'm happy you are in no more pain and the pain which you had to endure here is not even a memory now. Give my Mama a hug! Beautiful Lady! Now, dont forget to come to me...!
