Joe was a very special man with so much love in his heart for everyone. He was here for us when my husband had a Kidney Stone attack and was lying on the floor in so much pain I did not know what to do. While we waited for 911 Joe held Albi in his arms and told him everything was going to be alright. It was one of the kindness things I have ever seen. He stayed with us until he knew Albi was going to be ok. Joe always greeted us with that big smile ffrom ear to ear that would just light up the room. God has a beautiful soul by his side now. We will all miss him. Sending love to the family.
