# Mary Jane Schrett

MAR 7, 1944 - AUG 14, 2023

**S**CHRETT, MARY JANE (NEE BRENNAN)

Mary Jane Schrett of Riverview Florida, always known as “Jane” to her friends and family, was born in 1944 to George and Mary Ann Brennan. Jane was a loyal friend who brightened up every room she entered with her kindness and sharp wit. She loved to travel with her late husband Roy on adventures to places like Alaska, Yellowstone, Bermuda and Snowmass, CO. She also enjoyed going to see family in Western New York, Pennsylvania and Washington State. She loved spending time in her garden, and she was still happiest at home. Her parents’ death in 1958 meant that she had to become something of a matriarch at age 14 to her four brothers. She was a willing caretaker to many through her life and finally to Roy as he tackled serious health problems. After a professional career in banking, she spent her recent years volunteering at Lifepath Hospice in Sun City and having fun in community plays.

Jane is pre-deceased by her late husband, Roy F. Schrett, who she was devoted to for over forty years. She is also pre-deceased by brothers Richard T. Brennan, James A. Brennan and Gregory Brennan, all of whom she loved very much.

Survivors include her brother and sister-in-law Philip and Robin Brennan, sister-in-law and dear friend Dawn Brennan, nephews Dr. Brennan K. (Jill) Brennan and Sean M. (Suzy) Brennan and grandnephews Teague and Braedon Brennan. Other survivors include cousins Charles (Patricia) Heath, and Janet Heath , step-daughters Andrea Dickerson and Sharon Stai, step-sons Jeff Schrett and Greg Schrett, brother-in-law Neil Schrett plus many nephews, nieces, grandchildren and great grandchildren. She is also survived by dear friends Ruth McCay, Debbie Hernandez, Jayne Lauve and Pastor Jack Palzer and many others who loved her.

At Jane’s request, there will be no public memorial service. In lieu of flowers, Jane's family requests that donations be made to Lifepath Hospice in Sun City FL in her honor.

Jane will be inurned next to her Roy at Sunset Memory Gardens, Thonotosassa, Florida.

I meet Jane years ago when she moved into her aunt house down the street from me. I would walk down the street to her aunt house and we would set on the front steps and talk for hours, this became a regular routine. We were in school together at Kensington High School. Eventually our relationship grew and she became my first love. Her memory will always be in my heart and mind. Anthony M. Glieco Jr.

It was a privilege to have Jane as my best friend for 60 years and , as we called each other, "sister" for 55 of those years. She was the best of everything that God created. An example for all to follow. Her twin, my husband, passed only two months ago. They came and left together. That they are together in eternal life gives us peace. No one will miss her more. They lived, laughed, loved and left and our world will never be the same. RIP, Dawn

She was in a small % of are population because She had a way of feeling others pain. She went out her way to help as well as find out why and give the right words, She was such a caring good person, Those who touch our lives stay in our hearts forever., Her caring, kindness and compassion gives me hope in life..
