She had been a friend of my mom for more than 40 yrs. She was even at my baby shower for my daughter. Her personality was invigorating and her attitude made it to where you didn't want to cross her. She was very loving to her family and extended family. She will be missed extremely. Although I didn't see her as often as I would've liked, she was always like another mom. Kim, you will always be loved and missed by myself and my family. Love always, Billie Jo.
