Cecilia Cruceanu

FEB 15, 1929 - MAR 10, 2024

Cecilia "Cici" Cruceanu, born February 15, 1929, in Bucharest, Romania, was an incredible, powerful woman and a true angel on earth. Her light and positivity touched everyone, and whoever had the pleasure of knowing her, be it for a minute, a decade, or a lifetime, felt her love immediately.

Cici was hard-working and took care of others selflessly, enduring life's up and downs with poise, grace and without complaints. She was a ball of energy and passion, and until the very end lived life as though it was a gift worth living. In doing so, she gave her family the gift of her wisdom, love and blessings. She leaves behind a legacy of all the people whose lives she touched, not the least of which are four generations of women who came in her wake, all of whom carry a piece of her within them. Cici left this world peacefully, a departure fitting for a matriarch, a woman who exemplified internal peace and whose heart and soul were of a purity which is rarely seen.

Cici, may you rest in peace in God's love and protection, with all the loved ones who left before you.

Graveside service will be held on Monday, March 18, 2024, 1pm, at Sunset Memory Gardens, 11005 N US Hwy 301, Thonotosassa, FL 33592.

Cici had such a bright spirit, she was always smiling, always holding those she loved near, and was incredibly strong. She will always be loved and missed. We will continue to live life with the same positive attitude she had and not let any adversity get in the way of that. Cici, I love you endlessly and thank you for being an example of what living a fulfilling life looks like. May you rest in Heaven and watch over all of us. ❤️🙏 Love, your youngest great granddaughter Nicole.

Cicilica mea, frumoasa mea, Dumnezeu sa-ti deschida usile imparatiei sale si sa te primeasca cu bratele deschise. Dumnezeu sa iti mantuiasca sufletul si sa iti ierte toate pacatele. Te iubesc cu toata inima. Ai fost cea mai buna bunica care isi poate dorii orice copil. Dumnezeu sa te odihneasca in imparatia sa. Amin.
