I loved the way Joseph smiled, his mouth had like a smirk every time he smiled. He was so kind and always waved at me as I drove by on my scooter. He was so smart when it came to electrical stuff like sound systems. I loved how he love Elaine, always showering her with jewelry, not only with things she wanted but with things he thought she needed. He was a very good husband to Elaine. He was so devoted to her. Joseph you will be missed. I'm going to miss seeing you. May God wrap his arms around Elaine and his family, to help heal & ease the pain from their heart.P.S. See ya later Joe.
