Sue O'Neill

JUN 19, 1953 - DEC 5, 2024

Bernice “SUE” O’neill was born on June 19th, 1953 in Donalsonville, Georgia. She was the daughter of the late Burnise and Deamon Hearn. She passed away peacefully on December 5th, 2024 in the care of Tampa General Hospital after fighting lung cancer throughout the past year. Sue is survived by her husband of 50 years, Donald O’neill; one son, Michael (Rhonda) Montero; two daughters, Donna O’neill and Kacey (Ben) Halsey; three grandchildren, Avery Halsey, Jaxon Halsey, and Jasmin (Adam) Montero; one great grandchild Raelyn Simouth; two brothers, Randall Lynn and Gary (Rita) Hearn; numerous extended friends and family. She was preceded in death by her brothers Jerry and Larry Hearn.

Anyone who knew Sue knew she was a vibrant and precious soul, she would give the shirt off her back to help a stranger. She was as goofy as can be and would do anything to see the ones she loved laugh and smile. She was the glue to her family and cherished all the time she got with them. She loved anything pink and blingy, went no where without a can of coke and made sure to always keep the front yard mowed. She loved decorating for Christmas with her husband and being the brightest house on the block.

There wasn’t a day that she didn’t make the best of, throughout her life even down to her last breath, she stayed positive and determined and fought with her all. If you would like to join her family and friends, Visitation will be held at Sunset Memory Gardens, 11005 N us Highway 301 Thonotosassa, FL 33592 on Thursday December 12th, 2024 at 6pm and the service will be held on Friday December 13th, 2024 at 10am.

Never in a million years did I think you'd be gone. You were always my number one supporter, the one who gave me any and everything I could have ever wanted. As a kid I clinged to you and never wanted to leave your side, as an adult things never changed. I've spent countless hours laughing with you, shopping with you, even crying with you. If I was to afraid to call someone, you'd do it for me. If I didn't want to go somewhere alone, you'd go, without questions. You have been my rock through the good and the bad. I'll never forget the day I told you I was pregnant, all the fears and worries I had, you just sat there so happy because you knew you were getting another baby to love. You took Raelyn in just like you did me, and loved her with your whole heart. We're not sure how to continue on without you but I know you'd want us to be strong and stick together so that's what we'll do. We're gonna miss you granny, until we meet again. I love you! ❤️ ❤️
