Good morning family and friends, Thank you for allowing me to share one of my many memories of Judy with you. It is not complicated. But very simple and loving. Whenever I would call her and ask "how are you doing and what are you doing?" Always, throughout the years, her answer was "just lazy living." Then we both would kinda chuckle. I interpreted Judy's response as "easy living" and taking her day as it comes. Because I have adopted my dear sister's approach to daily living, my days are now uplifting and peaceful. So, I thank you my beloved sister for the one of many gifts we have shared. Never forgotten. Always cherished. Lovingly, you lil sis Cookie
