OCT 25, 1989 - AUG 24, 2025

Jose Burgos, a loving husband, devoted father, and cherished friend, passed away tragically on August 24, 2025, at the age of 35.

Born on October 25, 1989, in Philadelphia, Pennsylvania, to Harry Bonilla and Magali Rodriguez, Jose found his soulmate in his high school sweetheart, Joann Lespier. They married on June 21, 2014, and together they built a beautiful life, welcoming their son, Josian. Jose's family was his world. He was a dedicated provider, always working hard to build a better life for them. As an IT Tech, he was on a path to become an engineer, driven by his passion for technology and his desire to take care of his loved ones.

Jose was a man who embraced life, whether he was working on a new project, talking about cars, or simply spending time with those he loved. His faith was a source of great strength, and he was known for his generous spirit and a willingness to help anyone in need. His kindness and love will be deeply missed by all who knew him.

Jose is survived by his wife, Joann, and their son, Josian.

A celebration of his life will be held on August 30, 2025, at Grace Family Church, 22920 Sr 54, Lutz, FL 33549.

To the Burgos family, I am so very sorry for your loss. My deepest condolences. My heart hurts for Joann, Josiah and the entire Burgos family. When I first met Jose, he was smiling as he always did. With my interactions with him that day, I knew that he was a good spirited man who loved his family, who was a hard worker that wanted to succeed. I remember him telling me at his house warming party that never in his life that he thought he would own his own home. He did that. When reaching for a promotion fell short, he never gave up. He kept putting in the work and eventually got that promotion. He would always be so excited and happy to tell me about his accomplishment and what he wanted to do next in his career. I admired that about him. Knew what he wanted to do and where he wanted to be. When he would reach a goal, I would always tell him "that's so awesome bro, keep grinding and putting in the work. Hard Work and Dedication". He absolutely intended to do so. I can still hear his laugh and see him smiling. To put it bluntly, this loss absolutely sucks and hits hard. Taken way too soon. He still had so many memories to make with his family, so much more joy to spread and goals to reach. Rest in paradise bro....you will be missed by so many. Your friend, Garrett A

I wasn't lucky enough to meet Jose in person more than a few times, but god did we make some memories during our 12 years of playing Xbox! From the racing to playing army and even him falling asleep on the mic! I will truly miss you brother.

Jose loved to learn about computers and networks. When he didn't know how to do or understand something, he would always ask a bunch of questions to figure it out. His drive and determination to improve himself was admirable. As his skill and confidence grew, he would always ask to help out with more projects. He was eager to go on builds and further enhance his knowledge. He was on track to become an excellent IT technician and future IT engineer. His light will be missed. Love you bro, Eric
