Grandma, you were so special to so many. Your life was full of lose but you handled it with such grace. And now you get to be reunited. Give them all a big hug for me. These are just a couple of 5 generation pictures I was able to get when my mom was still with us. I love you and you will be missed.

I love you so much and I'm so grateful for the time we've had and the bond that we created. Thank you for never saying no to me reading the Bible to you. To God be the glory. And thank you so much for making everyday together the best we could. I miss you already, but I know I will see you again soon.
