# **Aguirre, Anthony Ivan**

DEC 10, 1997 - OCT 27, 2025

**A**nthony Ivan Aguirre, December 10, 1997 - October 27, 2025 Anthony Ivan Aguirre, lovingly known as Nani, passed away unexpectedly on October 27, 2025, far too soon at the age of 27. Though his time here was short, the impact he had on those around him will last forever.

He filled each day with positivity, laughter, and a heart that loved without limits. Nani lived a simple, meaningful life centered around his family. He guarded those he loved with strength, cared with a full heart, and showed love in ways that only he could. He worked as an aviation technician, a career he pursued with pride and curiosity.

He found joy in the little things - movies, music, fishing, and time spent with those he loved. He had an infectious smile and a warmth that made others feel instantly at ease. Even when life felt heavy, he continued to love deeply and give freely.

He is survived by his parents, Yvette and Efrain; his stepfather, Leo; his sister, Anissa; and his brothers, Zaivier, Micheal, and Christopher - as well as extended family and friends who will miss him dearly. In honor of Nani's quiet and gentle spirit, we will gather privately to remember and celebrate his life.

After hearing about what happened to Anthony, my heart shattered. I've known Anthony since I was 14 years old, a freshman at Riverview. Because of meeting me, he and his friends ended up missing the homecoming dance (one of our longest-running jokes), and that's how our friendship began. Anthony was one of the most genuine, kind-hearted, and goofy human beings I've ever known. He always spoke so highly of his big sister and little brother—his family was truly his lifeline. Anyone who knew Anthony knows how bright of a light he was to everyone around him. I want to extend my deepest condolences to Anthony's family. I will never forget my friend Anthony. I loved him dearly, and the impression he left on this world—and on my life—will never fade. I love you, Anthony. Rest in paradise ❤️
