# Agnes Madden

APR 24, 1936 - NOV 23, 2025

**T**here is a place, I have been told,  
Beyond an open gate  
All have been invited  
Where friends and loved ones wait  
It holds eternal promise  
Of everlasting peace  
No pain or sorrow ever comes  
And teardrops there have ceased  
Abundant life is evident  
Constant, fresh and new  
A garden of provision  
With eternity in view  
The promise is awaiting  
A place we can abide  
Fulfilled for all who answer  
The call to come inside

I met Aggie in April of 2013. It was my last Chemo visit. She called me over to say some kind words. She made me cry. I took her phone number and we have been friends since then. Both coming from NY, we had a lot to share. Mostly laughter. She would greet me on the phone by how the F are you. Just thinking about her makes me smile. After we moved away we would visit with my family. Aggie always welcomed us like family. She was a beautiful Spirit and I will miss her dearly. Love, Lois, Frank, Philip and Christian

Aggie was hilarious. She loved HomeGoods and changing her house every week and then rearranging her furniture some of my favorite It seemed like every day she kept me laughing.

I was Kim's neighbor in Staten Island. Kim had a party, and Aunt Ag said, "Move this table," and proceeded to dance the night away. She was the life of the party. May she rest in sweet peace and dance away in heaven!

There are so many memories I carry from growing up with Aunt Ag. Whenever she visited, she brought the party with her, with deep belly laughs, the best stories, and moments that became core memories I'll forever cherish. The relationship between her and my grandpa was something I feel so lucky to have witnessed, and I know they are singing and dancing together again. I love you, Aunt Ag ❤️ Thank you for a lifetime's worth of love and laughter.
