I met Paul through Mike. We had been on couple fishing trips and one birthday party. Paul was always fun and engaging. I knew he had some health issues this past year as have I and they are not fun. May he rest in peace and pain free and never have to buy a fishing license again. Your friend Jeff McDonald

Throughout the years I have had a lot of fun and created many fond memories with my cousin Paul. We have shared our love of baseball together at a Rays game, and shared our love of fishing out in the gulf and on my grandma's lake. I loved how Paul made friends with everyone he met, and was always outgoing and talkative. Paul was full of laughs and humor and I'm so glad that I had the opportunity to share so many with him. I will always remember him dearly and remember the fun we had together. I miss you Paul. - Maxwell Fernandez

I'll forever cherish all the times and trips we spent together. My office manager Lori used to call us Thelma and Louise. Always together on a new venture, weather it was picking up or delivering equipment, hanging out, or going on the many fishing trips we made together. One of my fondest memories is when Paul showed up at my 60th birthday party in a Fireman's suit to put out the candles on my cake. Paul always had a smile on his face and kindness in his heart. He liked to meet new people, and had many many friends. I admire the love and closeness he had with his family. I'll be forever grateful for the 40+ years of friendship we had together. Sleep in heavenly peace Bro, Michael (Doc) Piscitelli
