DeJuana Fay Genco

SEP 24, 1963 - MAR 5, 2026

DeJuana Fay Genco, 62, peacefully entered into eternal rest surrounded by the love of her family. She went to heaven while her daughters were by her side, holding her hands, a moment of deep love and peace that her family will forever cherish.

Though her passing leaves an immeasurable void, her family finds comfort in knowing that she is now resting in the arms of Jesus. DeJuana was known for her vibrant spirit and her deep appreciation for the simple joys of life. She loved gardening, especially caring for her beautiful roses, and found great peace near the water, whether at the beach or anywhere she could enjoy the calm of the ocean.

One of her greatest joys was attending her grandson's baseball games, where she proudly cheered him on from the stands. She also loved shopping and spending time enjoying delicious food and drinks with family and friends. DeJuana was truly beautiful, both inside and out. She had a radiant smile that could light up a room, and her warmth and laughter made everyone around her feel welcomed and loved.

She will be remembered for her strength, her kindness, and the way she brought comfort and joy to those blessed to know her. She was preceded in death by her father, her grandparents, many aunts and uncles, and so many loved ones who will surely be waiting to welcome her at heaven's gates.

She is survived by her husband, Dan, who stood by her during her battle with breast cancer; her loving daughters, DeNisha Rodriguez (Christopher) and Chelsea Moffitt (Joseph); her cherished grandsons, Christopher Jr. and Jaxon, with another beloved grandson on the way, Maverick; her mother, Gertrude Robinson, who meant the world to her; her caring sisters, Doree Vizzi and DeAnn Lazzarino; her lovely nieces; and many extended family members and dear friends who will continue to carry her memory in their hearts.

I got the pleasure of meeting this beautiful lady at a wedding I attended with my boyfriend. From that day, I knew the minute I met her she was one hell of a woman. I will miss the laughter and conversations we had during the short time we were friends but I will always cherish our friendship. Thank you Bill for introducing me to a very special woman. I will never forget our "little" joke Lol. I'm gonna miss you chica! Jovana Morris

DeJuana and I worked at Shells together and were friends for many years. She was there for me at my lowest point and I'll always appreciate her for that. I also have so many crazy, fun memories from our Shells days. Love you DeJuana ☐

DeJuana and I were neighbors for many, many years — on and off for nearly 30. I lived across the street from her mom, Trudy, from the time I was 17, and those years will always mean so much to me. Trudy's front porch — were where so much of life happened. Some of my favorite memories are of sitting out there talking, laughing, and just sharing life, and hollering back and forth across the street. Our daughters grew up together, playing at each others house, and even started kindergarten together. We were part of each other's everyday lives in a way that's hard to put into words. DeJuana and I had a quiet friendship, not the typical kind. Even after we both moved, whenever we talked or saw each other, it felt like no time had passed. She was always there when it mattered. She checked on me, showed up in the ways that counted, and loved my family like her own. I loved her and her girls the same way. I will always cherish those years, those front porch conversations, and the friendship we shared. To her daughters, Trudy, and her sisters — please know how deeply she was loved, and how much I love all of you, always.

I was shocked and I am heartbroken. The world just doesn't seem the same now without DeJuana in it. I took this photo at Chelsea's bridal shower (July 2024); it's the last picture I had. DeJuana's life was her family. She was especially proud of her daughters' accomplishments but was proud and loved all of her family. From working with her at the FDOT, I felt like I knew everyone. My heart goes out to her family. I am deeply sorry for your loss.

I met DeJuana when she worked at Shells. Then she came to work here at DOT. We worked together during hurricane events. She always had a smile, always asked how I was doing, and she did truly care about everyone around her. She always talked about her daughters and how proud she was of them. And then the Grandkids. She loved talking about the Grandkids. Her face would light up and she would show me pictures. I'm sorry I didn't stay in touch more when she left DOT. She really was a beautiful person -- inside and out. Rest in Paradise DeJuana!!!! you will be missed by so many.

DeJuana is already missed. I have known her since before she was in Project Management. She has always cared so much about all she was around. She took a great joy in helping others. She had a great smile and reigned joy onto others. DeJuana, a sweet Christian and dear friend! God bless her family!
