When I met Jose he came across my channel online on twitch as shadovenom. Not a lot of people stick around but he did. We would chat and play video games together, it was good times. He even bonded with a few people in the community. Whenever I was feeling down he would always notice and ask if everything's okay even though he was going through things himself. Jose and I only knew each other for 9 months and out of those 9 months we've only met in person once for a few hours and that's because he helped my family and I move out of our old apartment because we were about to get evicted the next day. He didn't have to but he did even though he was more than an hour away. It hurts knowing that's the first and last time I meet him in person. When I was told that Jose passed away it felt like a knife in my chest. I am so sorry I wasn't able to make it to your funeral Jose. Thank you for being kind to my family, my community, and I. Thank you for being supportive and helpful towards us. Thank you for caring. Thank you for putting a smile on everyone's face. You were a strong human being, no matter what you were going through you always kept a smile on your face. Thank you for being you. You will always be in our hearts. We will miss you so much Jose.

Dear Jose,I can't thank you enough for everything you did for me. We met online around last year and shared so much in common, like poetry and bikes. I was so lucky to meet you in person on Valentine's Day and again for my birthday. I only wish we had met sooner and had more time together.You were nothing but the sweetest person. Driving so far just to see me at work, coming to celebrate my birthday, always keeping me company, and even holding my bags—you always made me feel happy and safe.I still can't believe you're gone. I miss you so much. I wish we had more time together, more chances to go out, and to experience all the unplanned dates we used to talk about, one by one. It hurts knowing you said you would wait for me, and now you're no longer here with me.I'm truly grateful that your family invited me to see you and say goodbye one last time. Once they closed the door, I broke down crying. Even Chloe was there. We all miss you so much.Thank you for giving me such a wonderful birthday and for the beautiful necklace. Whenever I wear it, I think of you.I love you ☐

Maribel Aguirre sent a virtual gift in honor of Jose.

Your presence means more than words can express. In a time filled with such deep sorrow, seeing so many people come together to honor my son brings a measure of comfort to my heart. It reminds me that his life touched others, that he was loved, and that he will not be forgotten. I am truly grateful for your support, your kind words, your prayers, and simply for standing beside me during this incredibly difficult time. Each of you has helped carry a small part of this weight, and for that, I thank you. My son was deeply loved, and today is a reflection of that love. I will hold onto that as I move forward. Thank you again for being here and for honoring his memory. Su presencia significa más de lo que las palabras pueden expresar. En un momento lleno de un dolor tan profundo, ver a tantas personas reunidas para honrar a mi hijo trae un poco de consuelo a mi corazón. Me recuerda que su vida tocó a otros, que fue amado y que no será olvidado. Estoy verdaderamente agradecido/a por su apoyo, sus amables palabras, sus oraciones y, simplemente, por estar a mi lado durante este momento tan difícil. Cada uno de ustedes ha ayudado a cargar una pequeña parte de este peso, y por eso, les doy las gracias. Mi hijo fue profundamente amado, y hoy es un reflejo de ese amor. Me aferraré a eso mientras sigo adelante. Gracias nuevamente por estar aquí y por honrar su memoria.

Jose was a good friend of mine, I only knew him online but over the year and a half I knew him he was always trying to make people smile. He loved to sing, write music, poetry, he would often sing for us in our little groups, would recite poetry to us, he had his pitfalls but he was such a good guy with a great heart. I will miss you a lot man, heaven has found a new angel. Love you man~jacob
