MAY 19, 1962 - MAR 10, 2026

A fterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun;

Of happy memories that I leave when life is done.

I only knew Jeanetta for several years. I sat in front of her during church services. She always had a smile and something nice to say. The thing I remember most is her singing ability. She sang beautifully and knew many of the songs without opening a hymnal. She would already be singing before I could locate the page in the hymnal. I'm so glad you are no longer suffering and singing with the angels in heaven!

I have always remembered the time I spent at Aunt Liz's house and the smile on Jeanetta's face. She recently made my mom a blanket before she passed and I will always keep that in the family. You will be missed greatly.

Aunt Nene was honestly one of the sweetest, most kind hearted, genuine people on the planet. You could always find her doing an arts & crafts project and being excited to show my brother Nick and I what she was working on when we came to visit. She was full of love, and she will be greatly missed.

Every time we would visit she would always have a gift for me. Didn't matter if it was Christmas or July. But what was sweet wasn't the gift, it's that it was always something thoughtful. Something she made or something she found and thought I would like. She had the purest heart and always wanted to share her love with the people around her. She will be greatly missed. Love you Aunt Nene 💛

Jeanette was a blessing. When we were young she was always so kind to me. She had a gentle heart and showed love like no other. She was one of God's angels here on earth. Now she is back home with our heavenly Father.
