I'm deeply sorry for your loss. He was a longtime friend who meant a great deal to me, and I'll always be grateful for the memories we shared. Even though life took us in different directions over the years, I never forgot the kind of person he was and the impact he had on my life. My thoughts are with you and your family during this difficult time. May you find comfort in the love he gave and the memories that will always remain. He will not be forgotten.
