Kathleen Yarnal

AUG 13, 1952 - MAR 25, 2026

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?
Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me but let me go.
For this is a journey we all must take
And each must go alone
It's all part of the master plan
A step on the road to home.
When you are lonely and sick at heart
Go to the friends we know.
Laugh at all the things we used to do
Miss me but let me go.

Donnajeane Ada sent a virtual gift in honor of Kathleen.

Kathy had so many talents. There was nothing she wouldn't take on and always finished everything she tackled with professional results. I never knew anyone like her with the talent she had. She was studying homeopathic medicine. If we had a medical problem we called her for a remedy. There was literally so many things she tackled and finished professionally... I could probably write a book on how she was a force of nature. God Blessed her in so many ways. She was a wonderful wife, Mother and sister. Kathy and I had many adventures in our lives together, always working and laughing together on so many projects! Kathy, you will be missed and I thank you for all the memories you left me and many others to hold onto till we get together again... Walk slowly Kathy so we can catch up! Love you much, DonnaJean
