“ Miss Irene and I met in the RV park, we were neighbors and became great friends. She and I would always go shopping at the malls or go to the flea market. She loved to get fresh vegetables at the flea market. When at the mall once, I was Looking around and found a watch that I just had to get it. She saw it and liked it too. I told her to try it on. She picked the gold tone one and I picked the light pink tone. She was so happy that I bought it for her. Miss Irene was a Beautiful Lady. We always had fun no matter what we did. Once I remember going to the movies with her, we saw 3 different movies that afternoon by sneaking into 2 of them. I loved the way she was so carefree and different. She would color her hair pink, purple, blue or green. I told her when I grow up I wanted to be just like her. She was a wonderful friend. I will always remember our escapades and all the fun and laughter we had. Fly high Miss Irene....To the family and friends, she will be missed a lot but we will all see each other again one glorious day. My love and condolences.....Love, Terri Cothron

“ I met Irene through her daughter Kelly, we went Jefferson High and lived in the same apartment complex. Kelly would invite me over and Irene and Hector would feed me and helped my family afford a Christmas Tree one year. Irene had such compassion that I will never forget. I was fortunate to have visitEd her while she was still walking. Her spirit that day, even though she was in pain, she didn't miss a beat, said was ready to go dancing! My love and prayers to extended family. Please know Irene was loved by me and so many more. I will always remember her style, smile and her grace.

“ I knew Irene from her son, Dale and his wife, Sheila (my sister). As many have mentioned, she was a fun and carefree lady, full of life. Her joie de vie will be missed by many.
